

27-30 OCTOBER 2015
MELBOURNE CONVENTION
AND EXHIBITION CENTRE
www.icoms2015.com

Program as at 20 April 2015

MONDAY 26 OCTOBER 2015	
All day	Pre-Conference Tours
TBC	MIS Australia Pre-Conference Workshop , St Vincent's Hospital
0800 - 1300	Invitational Conference , Meeting Room 211/212
1330 - 1730	Trainee Symposium , Meeting Room 210
1330 - 1730	IAOMS Council Meeting
1800 - 1900	IBSCOMS Convocation Ceremony
1730 - 1930	Trainee Reception , The Boatbuilders Yard

PRELIMINARY PROGRAM

TUESDAY 27 OCTOBER 2015				
0800 - 1830	Registration Open, Level 2 Foyer			
0830 - 0900	Exhibition Open, Melbourne Room, Level 2 Foyer			
0700 - 0830	SAC Breakfast - Eat and Learn			
0830 - 1030	PLENARY SESSION 1			
	State of the Art			
0830 - 0850	Oncology: Trans-oral Robotic Surgery – An Overview of Current Practice Eric Dierks			
0850 - 0910	Orthognathic: Computer Planning in Orthognathic Surgery Gwen Swennen			
0910 - 0930	Trauma: Intraoperative CT Scanning in Maxillofacial Trauma: What is its Role? Edward Ellis III			
0930 - 0950	TMJ: Impact and Efficacy of TMJ Arthroscopy Joe McCain			
0950 - 1010	Dentoalveolar: Medication Related Osteonecrosis of the Jaws (MRONJ): Myths Busted Alastair Goss			
1010 - 1030	Craniofacial : New Frontiers in Craniofacial Surgery – The Role of Posterior Vault Distraction Steven Dover			
1030 - 1100	Morning Tea, Melbourne Room, Level 2 Foyer			
	CONCURRENT SESSION 1			
1100 - 1230	1A TMJ Symposium Plenary Room 2	1B Facial Aesthetics Symposium Meeting Room 203 / 204	1C Paediatric Symposium Meeting Room 210	1D Regional Session: North America Meeting Room 211
1100 - 1122	Arthroscopic Surgery for the Dislocated Disc Joe McCain	An Approach to Face-lifting Under Local Anaesthesia Velupillai Ilankovan	Soft Tissue Injuries in the Child Bruce Horsewell	<i>To be advised</i>
1122 - 1144	TMJ Total Joint Reconstruction: Clinical and Orthopaedic Research Correlations Louis Mercuri	Maintenance of Nasal Airways in Rhinoplasty: Role of Spreader Grafts Tirbod Fattahi	Paediatric Pathology Lenny Kaban	<i>To be advised</i>
1144 - 1206	Surgical Correction of Common TMJ Pathologies Larry Wolford	Techniques of Facial Reanimation Teresa Gonzalez	Orbital Trauma Patrishia Bordbar	<i>To be advised</i>
1206 - 1228	Discussion	Minimally Invasive Facial Rejuvenation Faisal Quereshy	Spontaneous Bone Regeneration Method of Reconstruction Rhodri Williams	<i>To be advised</i>

PRELIMINARY PROGRAM

1230 - 1330	Past President's Lunch , Meeting Room 215				
1230 - 1330	Lunch , Melbourne Room, Level 2 Foyer				
1330 - 1730	HADR Symposium , Meeting Room 214				
1330 - 1500	CONCURRENT SESSION 2				
	2A Regional Session: Asia Plenary Room 2	2B Free Papers Meeting Room 203 / 204	2C Free Papers Meeting Room 210	2D Free Papers Meeting Room 211	
1330 - 1348	Translation Medicine in Oral Cancer to Decrease the Mortality Chung-II Liu	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	
1348 - 1406	The Asian Approach to Oral Malignant Tumours Myung-Jin Kim				
1406 - 1424	Chemoradiotherapy: Intra-arterial Infusion for Oral Cancer Kenji Mitsudo				
1424 - 1442	Particle Beam Therapy Kanichi Seto				
1442 - 1500	Differential Diagnosis and Management of Submandibular Gland Swelling Prof Guang-yan Yu				
1500 - 1520	Afternoon Tea , Melbourne Room, Level 2 Foyer				
1520 - 1730	CONCURRENT SESSION 3				
	3A Free Papers Plenary Room 2	3B Free Papers Meeting Room 203 / 204	3C Free Papers Meeting Room 210	3D Free Papers Meeting Room 211	3E Free Papers Meeting Room 209
	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>
1715 - 1830	Opening Ceremony , Plenary Room 2				
1830 - 1930	Welcome Reception				

PRELIMINARY PROGRAM

WEDNESDAY 28 OCTOBER 2015								
0800 - 1730	Registration Open, Level 2 Foyer							
0830 - 0900	Exhibition Open, Melbourne Room, Level 2 Foyer							
0700 - 0830	MIS Australia Breakfast							
CONCURRENT SESSION 4								
0830 - 1030	4A Oncology Symposium Plenary Room 1		4B Dento-alveolar Symposium Meeting Room 203 / 204		4C Trauma Symposium Meeting Room 210			
	The Role of HPV in Oral Cavity SCC Andrew Schache		Nerve Injuries from Local Anesthetic - Tara Renton		Treatment of 2-Wall Orbital Fractures Bryan Bell			
0830 - 0850								
0850 - 0910	Translation Medicine in Oral Cancer to Decrease Mortality in Taiwan Shou-yen Kao		Nerve Damage from Dental Implants Tony Pogrel		Treatment of Malocclusion Resulting From Condylar Fractures Marc Metzger			
0910 - 0930	The Importance of Margins in Oral SCC Jonathon Clark		The Role of Coronectomy in Preventing Nerve Injuries Lim Kwong Cheung		Management of Post-Traumatic Zygomatico-orbital Deformities Ralf Schoen			
0930 - 0950	Diagnosis and Management of Salivary Gland Tumours Guang-yan Yu		The Medical Perspective: Why Are Patients Taking These Medications? Amelia E. B. Moore		What is the Best Treatment for Fractures Through the Mandibular Angle Yi Zhang			
0950 - 1010	Advances in Radiation Oncology June Corry		Surgical Management of BRONJ Mehran Hossaini		Treatment of Fractures in the Atrophic Mandible Edward Ellis III			
1010 - 1030	Narrow Band Imaging in Oral Cavity SCC Camile Farah				Frontal Sinus Fractures: Which Protocol in Relation to Obliteration and Cranialisation Daniel Buchbinder			
1030 - 1100	Morning Tea, Melbourne Room, Level 2 Foyer							
CONCURRENT SESSION 5								
1100 - 1230	5A Research / Technologies Symposium Plenary Room 1		5B Trauma and Orthognathic Symposium Meeting Room 203 / 204		5C Cleft Symposium Meeting Room 210		5D Regional Session: South America Meeting Room 211	
	Biofunctionalization of Material Surfaces Henning Shliephake		Endoscopic Approach to Orbital Fractures Bryan Bell		Naso-alveolar Moulding Bonanthaya Krishnamurthy		<i>To be advised</i>	
1100 - 1122								
1122 - 1144	TMJ –TJR / Growth Factors Luiz Fernando Lobo Leandro		The Endoscopic Approach to Condylar Fractures Guenter Lauer		Primary Cleft Care Outcomes: Technique, Protocol or Centralised Care Simon Van Eeden		<i>To be advised</i>	
1144 - 1206	Research to Restore the Face After Combat Injury Robert Hale		Condylar Hyperplasia:A Management Challenge Eddy Becking		Cleft Maxillary Surgery Tim Turvey		<i>To be advised</i>	
1206 - 1228	Allogenic Transplantation of Stem Cell from Oral Cavity for Bone Regeneration Premjit Arpornmaeklong		Transverse Dimension of the Mandible in Orthognathic Surgery - Precision Planning and Surgery of Facial Asymmetries Simonas Grybauskas		Vascular Studies in Nasal Anatomy Gosla Reddy		<i>To be advised</i>	
1230 - 1330	Lunch, Melbourne Room, Level 2 Foyer							

PRELIMINARY PROGRAM

1330 - 1500	CONCURRENT SESSION 6				
	6A Regional Session: Africa	6B Free Papers	6C Free Papers	6D Free Papers	6E Free Papers
	Plenary Room 1	Meeting Room 203 / 204	Meeting Room 210	Meeting Room 211	Meeting Room 209
	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>
	<i>To be advised</i>				
	<i>To be advised</i>				
	<i>To be advised</i>				
	<i>To be advised</i>				
1500 - 1520	Afternoon Tea, Melbourne Room, Level 2 Foyer				
1520 - 1730	CONCURRENT SESSION 7				
	7A Free Papers	7B Free Papers	7C Free Papers	7D Free Papers	7E Free Papers
	Plenary Room 1	Meeting Room 203 / 204	Meeting Room 210	Meeting Room 211	Meeting Room 209
	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>
1800 - 2100	Discover Melbourne Reception, Showtime				

PRELIMINARY PROGRAM

THURSDAY 29 OCTOBER 2015			
0800 - 1730	Registration Open, Level 2 Foyer		
0830 - 0900	Exhibition Open, Melbourne Room, Level 2 Foyer		
0700 - 0830	Dentsply Breakfast		
0830 - 1030	CONCURRENT SESSION 8		
	8A Reconstructive Symposium	8B Orthognathic Symposium	8C Research Symposium / IAOMS Fellowship Program
	Plenary Room 1	Meeting Room 203 / 204	Meeting Room 210
0830 - 0850	Intraoperative Angiographic Assessment of Microvascular Free Flaps David Kim	On the Appropriate Timing for Intervention in Orthognathic Surgery "Minimally Invasive Surgery" "Planning in Orthognathic Surgery" Federico Hernandez-Alfaro	<i>IAOMS Fellowship Program - Topics to be advised</i>
0850 - 0910	Adjunctive Measures in Cancer Diagnosis James Mccaul	Real Problems in the Virtual World – Pearls and Pitfalls of Orthognathic VSP Kevin Riecks	<i>IAOMS Fellowship Program - Topics to be advised</i>
0910 - 0930	Cancer Stem Cells: Their Role Post-Surgery Abraham Kuriakose	The Nasal Management in Orthognathic Surgery: Structural Preservation and Rhinoplasty Mirco Raffaini	<i>IAOMS Fellowship Program - Topics to be advised</i>
0930 - 0950	Refinements in Head and Neck Reconstruction Rui Fernandez	Posterior Airway Manipulation - An Orthognathic Cure for Obstructive Sleep Apnoea Ian Ormiston	<i>IAOMS Fellowship Program - Topics to be advised</i>
0950 - 1010	How to Train a Head and Neck Reconstructive Surgeon Zhang Chenping	Management of the Difficult Airway in Maxillofacial Surgery Chris Acott	<i>IAOMS Fellowship Program - Topics to be advised</i>
1010 - 1030	Markers to Distinguish Dysplasia from SCC Joji Sekine	Presentation title to be confirmed Winne Choi	<i>IAOMS Fellowship Program - Topics to be advised</i>
1030 - 1100	Morning Tea, Melbourne Room, Level 2 Foyer		
1100 - 1230	PLENARY SESSION 2		
	Plenary Room 1		
	President's Lecture The Use of Biotechnology in Oral and Maxillofacial Surgery – A Challenge for the Clinician and the Specialty Henning Schliephake		
1230 - 1330	Lunch, Melbourne Room, Level 2 Foyer		
1230 - 1400	Foundation Lunch, Meeting Room 211		

PRELIMINARY PROGRAM

CONCURRENT SESSION 9					
1330 - 1500	9A Regional Session: Europe	9B Free Papers	9C IJOMS Symposium	9D Free Papers	9E Free Papers
	Plenary Room 1	Meeting Room 203 / 204	Meeting Room 210	Meeting Room 211	Meeting Room 209
1330 - 1348	Symposium Introduction Lecture Julio Acero	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>
1348 - 1406	Surgical Management of Head and Neck Sarcomas Nicholas Kalavrezos				
1406 - 1424	Current Concepts in Margin Control for Oral Cancer Ablation Ian C Martin				
1424 - 1442	How to Carry Out a Homemade 3D Printing Planification for Mandibular Reconstruction: A Cost-effective, Reliable, and Flexible Approach Jean P Meningaud				
1442 - 1500	The Role of Perforator Flaps in Head and Neck Reconstruction Klaus D Wolff				
1500 - 1520	Afternoon Tea, Melbourne Room, Level 2 Foyer				
CONCURRENT SESSION 10					
1520 - 1730	10A Free Papers	10B Free Papers	10C Free Papers	10D Free Papers	10E Free Papers
	Plenary Room 1	Meeting Room 203 / 204	Meeting Room 210	Meeting Room 211	Meeting Room 209
	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>	<i>To be advised</i>
1900 - 2330	Conference Gala Dinner, National Gallery of Victoria				

PRELIMINARY PROGRAM

FRIDAY 30 OCTOBER 2015			
0800 - 1230	Registration Open, Level 2 Foyer		
0830 - 0900	Exhibition Open, Melbourne Room, Level 2 Foyer		
0700 - 0830	SAC Breakfast - Eat and Learn		
0830 - 1030	CONCURRENT SESSION 11		
	11A Implantology Symposium Plenary Room 1	11B Craniofacial Symposium Meeting Room 203 / 204	11C Oral and Maxillofacial Pathology Symposium Meeting Room 211
0830 - 0850	Nerve Sliding Technique for the Repair of Damaged IDN During Implantology Jong-Ho Lee	Craniosynostoses Martin Evans	Medication Related Osteonecrosis of the Jaw: University of Michigan Experience Joseph Helman
0850 - 0910	Biological Complications of Implant Therapy Stephen Chen	Mid-facial Surgery in the Craniosynostoses Eppo Wolvius	Giant Cell-containing Lesions of Bone Fiona Bonar
0910 - 0930	Achieving Predictable Results for 3D Reconstruction of the Severely Resorbed Alveolar Ridge Michael Peleg	Skeletal Management in Craniofacial Microsomia Andrew Heggie	Fibro-osseous Lesions Hedley Coleman
0930 - 0950	Management of the Atrophic Maxilla: What Have We Learned? Federico Henandez-Alfaro	Airway Obstruction in Micrognathia Jocelyn Shand	Ameloblastomas: Current Knowledge and Evidence for Management Nabil Samman
0950 - 1010	All On Four- Where Are We Now? James Chow	Ear Reconstruction David Richardson	Keratocystic Odontogenic Tumour: The San Francisco Experience Tony Pogrel
1010 - 1030		Fronto-nasal Cephaloceles Tony Holmes	Vascular Lesions: Pathology, Classification and Management Sanjiv Nair
1030 - 1100	Morning Tea, Melbourne Room, Level 2 Foyer		
1100 - 1200	PLENARY SESSION 3		
	Plenary Room 1 <i>To be advised</i>		
1200 - 1230	Closing Ceremony, Plenary Room 1		
1330 - 1730	Foundation Afternoon Offsite
